

Rendering Rates (based on models currently in system):

- High Resolution Images \$600/initial render, \$300/successive render of same model.
- Videos \$600/initial, \$300/successive video of same model.

Note: If you desire both videos and renderings, any secondary initial charge will be viewed as a successive charge.

(Eg. 2 High Res. Images and one Video = \$600(Image 1) + \$300(Image 2) + ~~\$600~~-\$300(Video).

Marketing Layout: Hourly. (apr. 3 hrs/plan)

Artistic Renders and/or standard rendering/marketing work: Hourly.
